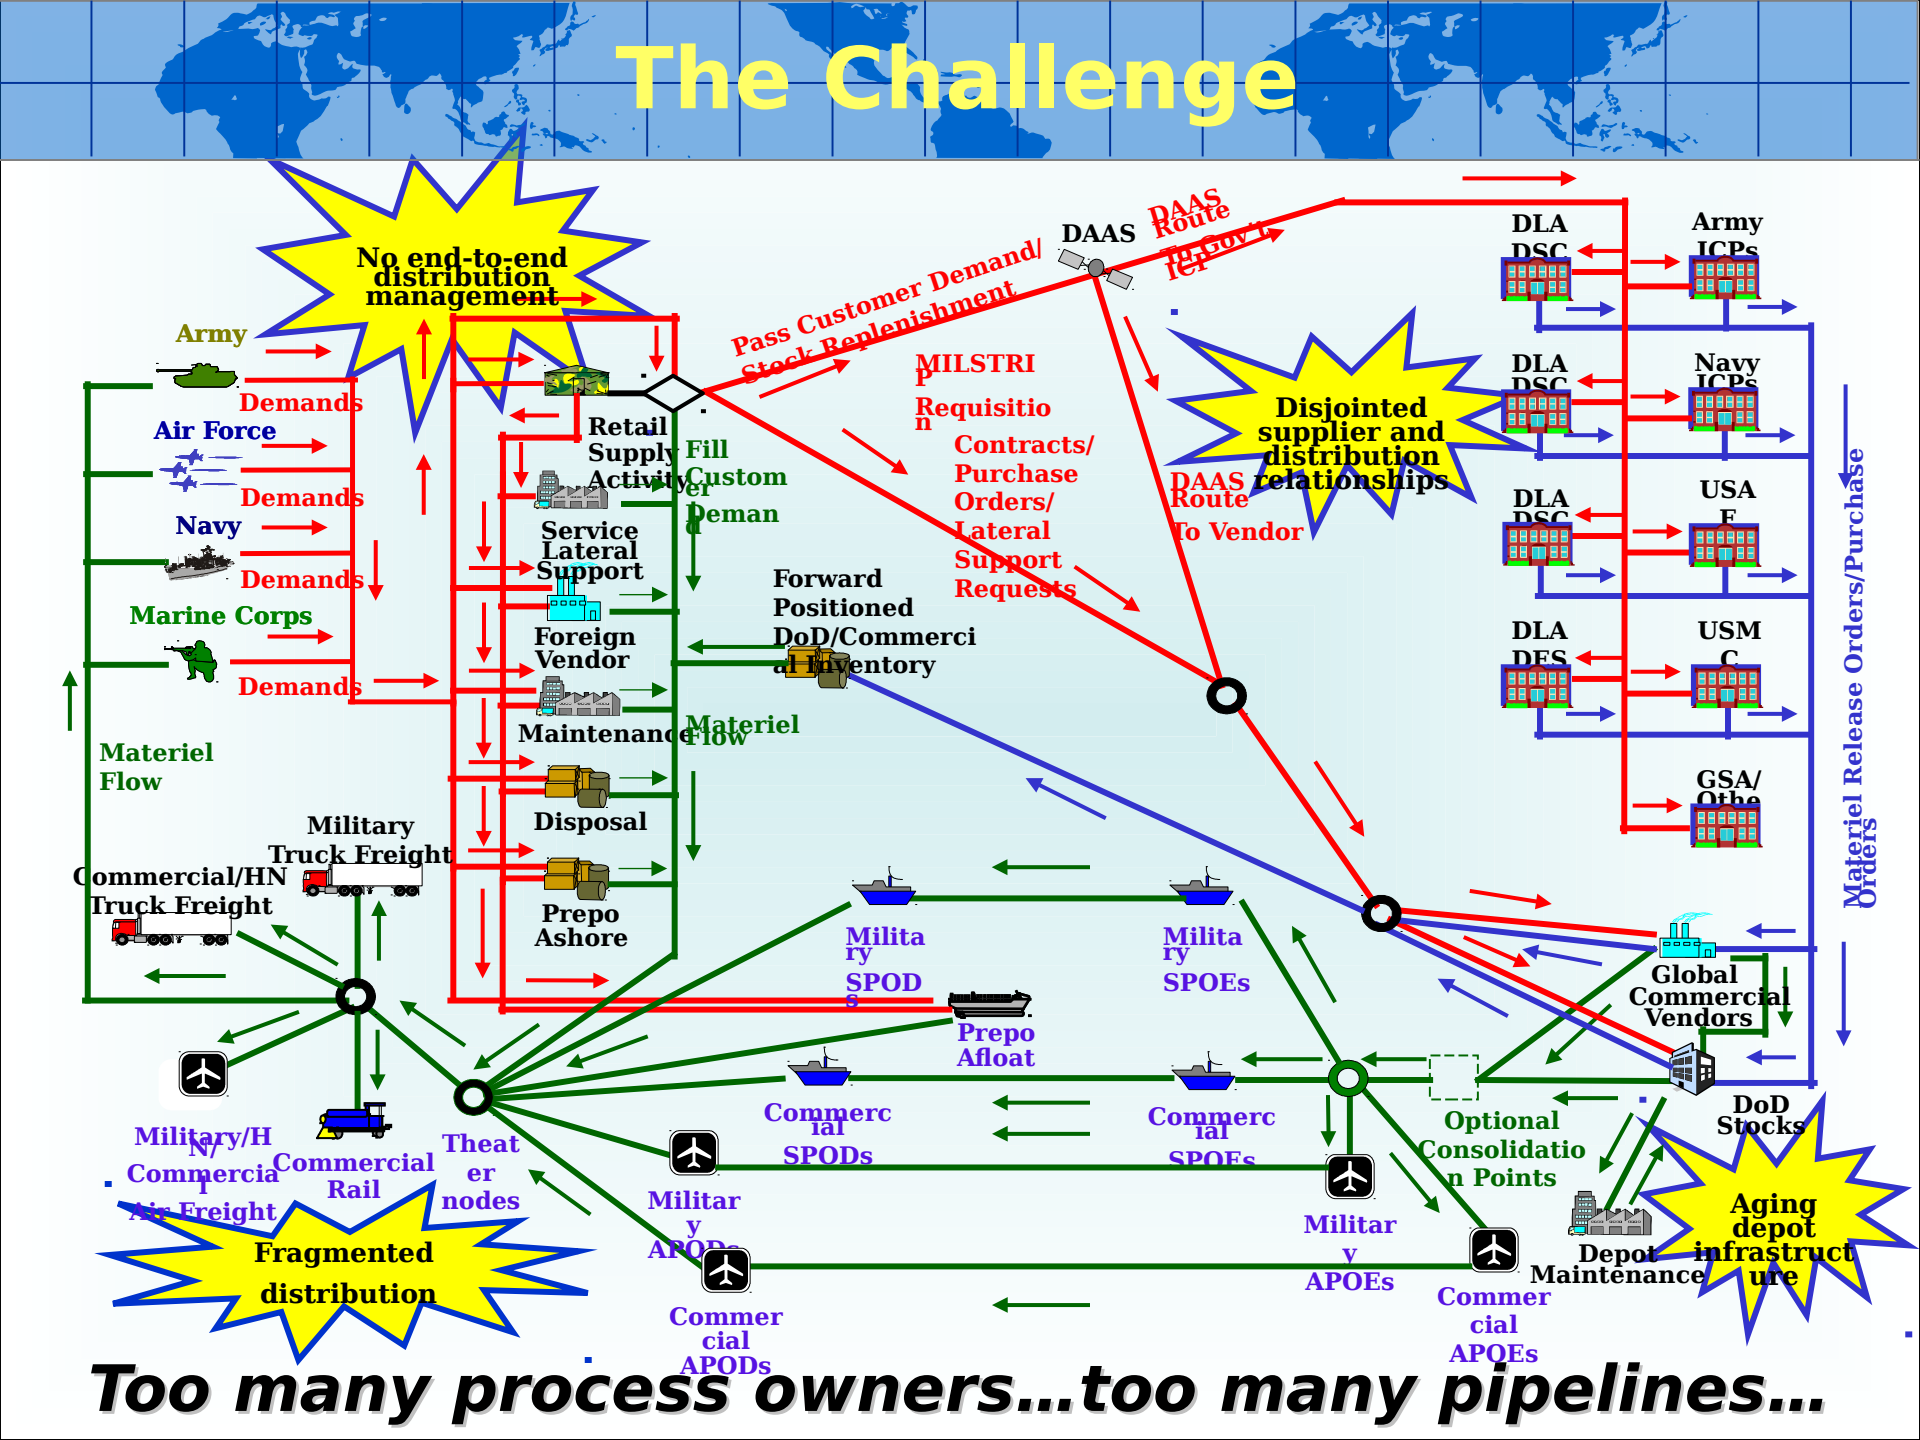
The Challenge



Too many process owners…too many pipelines…

The Answer is…

All Compete for:

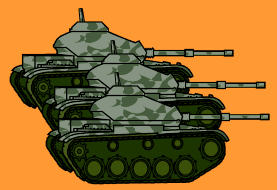
Air/Sealift/Surface Ass
Dip Clearances/Custor
Overflight
Fuel
Host Nation Support
Communications
Security

GSA

Air Ports of Embarkation

Origi n Sea Ports of Embarkation

Vendors

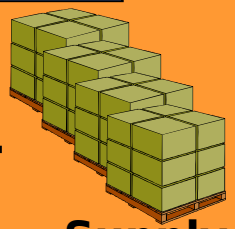


Units

+

Troop Rotation

+



Supply

Air Ports of Debarkation

Destination

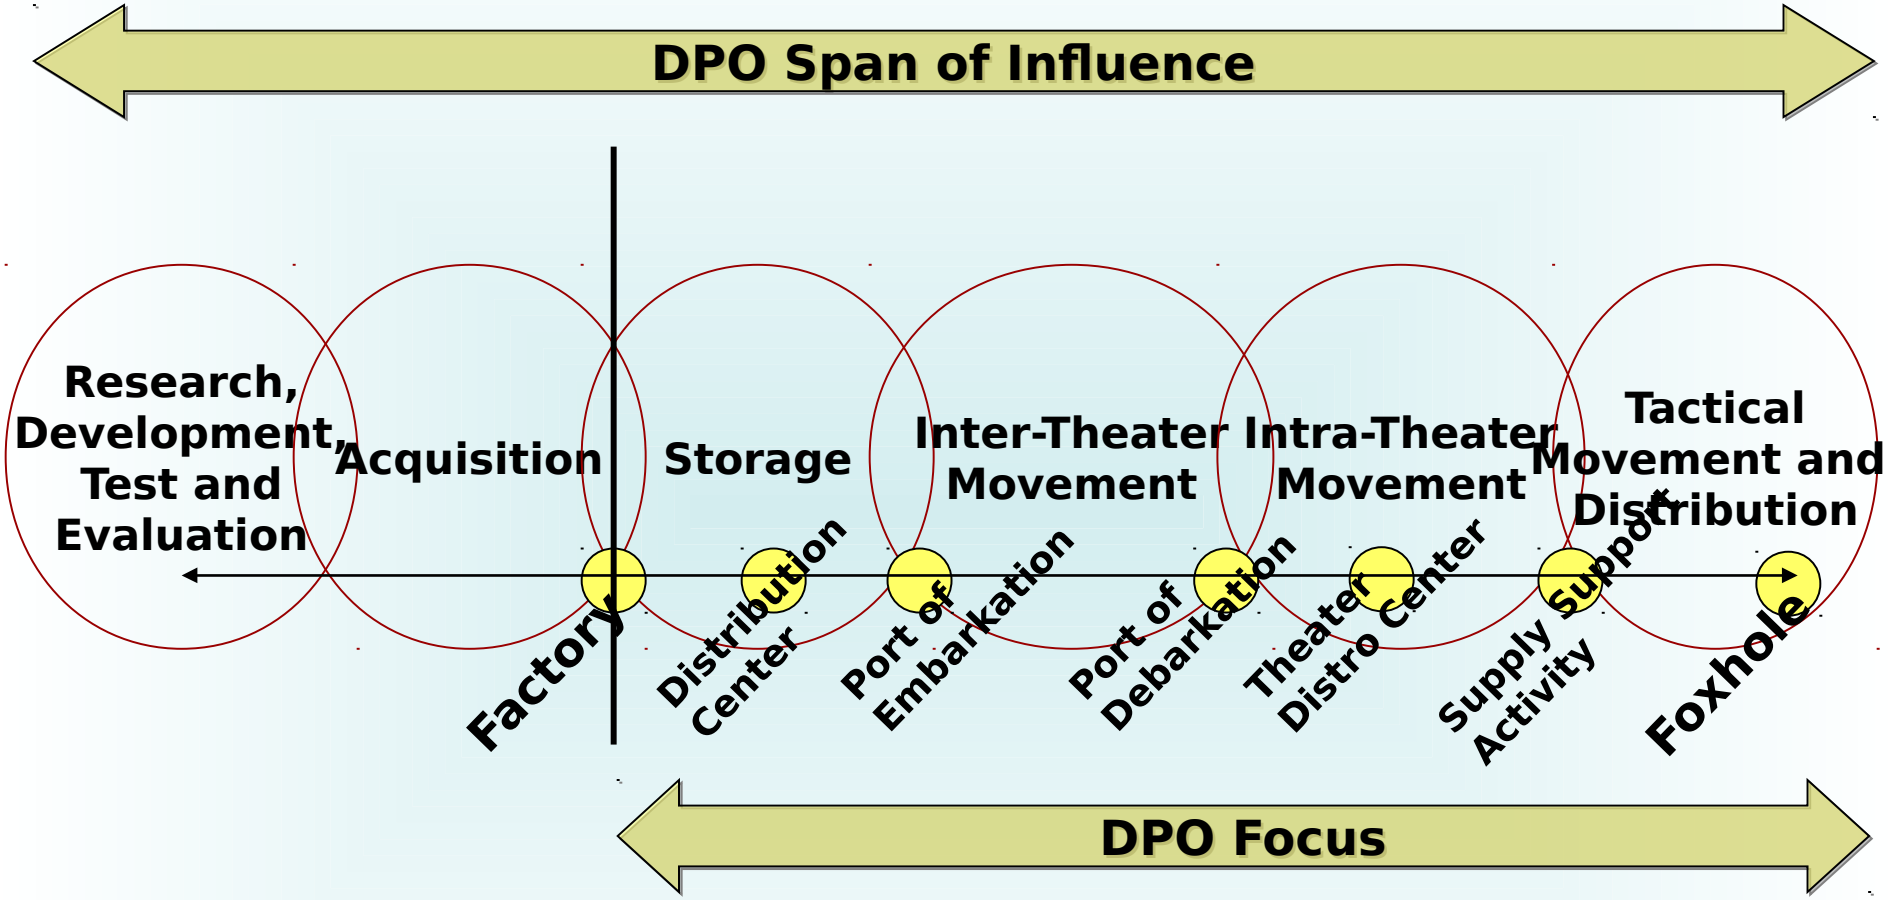
Sea Ports of Debarkation

What next?

Must Have:

- **A Single Logistics Point of Contact**
- **Synchronized Supply Chain (Factory to Foxhole)**
- **End to End Information Technology**
- **Predictive Capability to Eliminate Reactive System**

Distribution Process is under one Combatant Commander



Vision: *The DPO provides the synchronized transportation, distribution, and sustainment which makes possible projecting national power where needed with the greatest speed and agility, the highest efficiency, and the most reliable level of trust and accuracy.*
